

Getting to Seaford Yacht Club by Land

Seaford Yacht Club is located on the Virginia Peninsula between the towns of Poquoson and Yorktown. The club is located on Back Creek and can be easily accessed from Highway 17 at the intersection with Denbigh Blvd. and Goodwin Neck Rd. Proceed east on Goodwin Neck Rd and past the Giant Oil refinery on your left. When you see the entrance to York County Back Creek Park on your right, the entrance to Seaford Yacht Club is just around the corner at the next driveway marked by our club sign.
